# Biotech Umeå Investment Day<sup>19</sup>

7<sup>th</sup> of February 2019 • 08:00-21:00 • Grand Hotel, Södra Blasieholmshamnen 8, Stockholm

“

*The high quality of the cases involved is important to us, the companies may be in different phases, but that fits our interests very well*

- Partnering Investor, 2017

## An efficient shortcut to well prepared, high quality Biotech and MedTech companies and prospects

**Find** companies and cases, at a day full of fruitful networking and well prepared partnering meetings with Pharma, MedTech, IVD, ICT- with healthcare applications, and Biotech Tools.

**Invest** and explore. In a friendly environment, meet and check the pulse of many life science companies and prospects in one go. And a chance to talk to other investors too.

Attending companies:

**Mucocort** - Treating recurrent aphthous ulcers with patented oral patch

**Lipum** - Developing a biological anti-inflammatory drug with first-in-class potential

**Insecticide project** - New, safe, and selective, insecticides to reduce mosquito-borne diseases

Find out more about all attending companies and cases [ubi.se/yearly-events](http://ubi.se/yearly-events)
